

CAREER OPPORTUNITY

EXPRESSION OF INTEREST - PROJECT MANAGER (HEALTHCARE)

Our Core Values are:

1. Safety
2. Innovation
3. Integrity
4. Sustainability
5. Fun

RAM is a technical consultancy providing Project Management, Construction Management, Engineering and Advisory services across Canada. RAM is searching for a motivated and energetic Project Manager to join its team in Vancouver, BC. The successful candidate will be an individual that enjoys a challenging, professional and dynamic workplace and contributing to the success of a hard-working team.

More About This Role

RAM's Project Management Team (PMT) are infrastructure delivery experts, from transportation to utility projects. Our experienced, in-house professionals have built cruise ship piers, rapid transit projects, utilities, overpasses, and highways for public and private clients. In anticipation of upcoming requirements our team is proactively looking to speak with Project Managers who focus on Healthcare Sector Projects.

Further Responsibilities include the following:

- Overall project leadership;
- Manage consultants/contractors and respond to technical inquiries;
- Prepare, develop, and report on project scopes, risk, schedules and budgets;

- Team leadership, including the coordination of resources;
- Meeting/workshop facilitation and leadership;
- Provide technical and administrative support through all phases of projects;
- Project Scheduling and cost estimate preparation;
- Contract administration leadership;
- Stakeholder management and engagement;
- Permitting management;
- Communication management;
- Project reporting (via meeting minutes, project status reports/memos, etc.), and field reviews;
- Chair and attend project and site meetings and communicate directly with clients/sub-consultants/contractors;
- Maintaining a respectful and professional working relationship; and
- Active leadership role in business development and proposal preparation.

➔ Ideal Candidate Requirements

- 5+ years experience as Project Manager;
- Bachelor's Degree/Diploma in Engineering, Construction Management or Building Diploma is considered an asset; and,
- Project Management Professional (PMP) designation with the Project Management Institute (PMI) considered an asset.
- Experience with projects in the Healthcare sector;
- Adept knowledge of applied design and construction methods;
- Effective verbal and written communication and presentation skills with project stakeholders, the public, clients, regulatory agencies and consultants/contractors;
- Excellent report and proposal writing skills;
- Experience assembling, managing and delivering construction contracts.

➔ Why You Should Join RAM

- Annual Training Allocation and Career Planning
- Extended Health Benefits
- RAM Intramural teams
- Office Social Hours
- Business Casual Environment
- Quarterly Office Events
- Community Involvement Days
- Quarterly Goal Setting
- Annual Performance Planning and Salary Reviews

For three consecutive years, RAM has been ranked Canada's fastest growing professional services firm as per Canadian Business and Maclean's definitive ranking of Canada's Fastest-Growing Companies.

➔ Interested?

We encourage applications from all qualified individuals. If this opportunity sounds like the next step in your professional career, please send your resume in confidence to careers@ramconsulting.com. RAM is committed to employment equity and hires based on merit.

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.
